Examiner Miller:

This communication is in furtherance to the response to Final Office Action submitted on November 4, 2010.

Council previously stated that it was believed that Dajiang Xu was refusing to sign the Declaration, based on evidence of delivery of two copies of the documents to inventor Xu's address, and the inventor's failure to respond.

We now know that Dajiang Xu has been working in China, thus the documents took a long time to reach him.

Attached is a Rule 132 Declaration signed by inventor Dajiang Xu.

Should the Examiner have any questions regarding the present submission the Examiner is requested to call the undersigned representative at: (415) 538-1555.

Respectfully submitted,
